

Fencing

Archery & Tag Archery

Laser Run (optic laser shooting)

Holiday Camps

Clement Sports sets up educational and training programs in some special sports with high educative values, through his several academies in Fencing, and Archery & Laser Shooting.

All classes are age-appropriate to take into account the particularities of the development of children and adolescents.

The pleasure of sport, the pleasure of meeting new friends and the game are the foundations of the pedagogy while maintaining a rigour essential to the practice of fencing and Archery & Laser Shooting and a high training standard. Students can evaluate their progress through an effective and recognized certification program and tournaments.

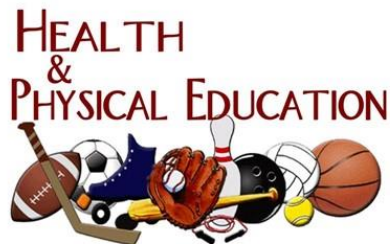

Clement Sports is a trusted partner for schools, centers or companies, helps them to develop original and educational sports on their site, supports them with necessary equipment, can help them to acquire the necessary skills...
