FENCING KIDS & Teenagers: The Fencing Schools Programs

• MOSQUITOES MINI-FENCING 4-6 Y.O

This program is designed for children aged 4 to 6. More than just an introduction to fencing, it provides in-depth learning in psychomotor skills, fine motor coordination, personality development, self-control, and concentration. Fencing serves as a fun and engaging pretext to support the child's overall growth. Along the way, children acquire knowledge and skills in fencing and take their Yellow Blade exam at the end of the year

Class every Saturday from 8:30 am to 9:30 am at the West Bay Center only.

• FENCING SCHOOL 7-18 Y.O

For Kids & Teenagers students in schools (ages 7–18)

Our fencing program is designed to develop the individual before the athlete. We aim to nurture well-rounded, intelligent individuals who gain a complete understanding of the sport—encompassing personality, self-control, focus, technique, and tactics.

The program includes two training sessions per week: weekday classes emphasize technical and tactical development, while weekend sessions focus on sparring and practical application.

• COMPETITIVE FENCING 13-18 Y.O

This program offers three training sessions per week, covering all aspects of performance. While the personal development of each athlete remains our top priority, striving for excellence and competitive success is the ultimate goal.

Classes every Saturday at 5pm, Monday at 6pm, and Wednesday at 5:30pm in Al Wajba Center

FENCING: The Adults

Whether you want to simply discover fencing, enjoy a physical and mental activity, meet new people, or pursue a competitive path, we offer a wide range of classes designed to fit your personality and goals.

With the Flexible Adult Pack, with or without uniform rental, you have full freedom to train according to your own schedule.,
