

2026–2027 SEASON — A NEW ERA OF FENCING!

Dear Fencers & Parents,

We hope you had a wonderful summer break! 

It is time to get back on the piste, and we are excited to welcome you to the **2026–2027 season at Clement Sports!**

A NEW ERA OF FENCING IS HERE!

The Clement Sports Fencing Academy is back — and **fencing is evolving!**

This year, we are introducing **Fency Arena**, a brand-new fencing experience developed by Clement Sports, alongside our traditional **Fencing Sport** program.

TWO WAYS TO EXPERIENCE FENCING

FENCING SPORT

Our traditional fencing program, based on the official sport of fencing, focusing on technique, tactics, sparring and long-term development.

The **Blade and Weapons Certification Program**, developed and implemented in France, will replace the Blason certification and will also include **adult certification**.

FENCY ARENA

A new combat format created by Clement Sports, bringing fencing into a more dynamic and immersive arena experience.

Wireless fencing technology

1 vs 1 combat

2 vs 2 team battles

With or without shields

New strategy • New movements • New teamwork

A new way to play, move and experience fencing!

CHOOSE YOUR WAY TO FENCE

For the **2026–2027 season**, you can register for:

- **2 sessions per week** → Fencing Sport **or** Fency Arena
- **3 sessions per week** → Fencing Sport + 1 Fency Arena class **or** Fency Arena + 1 Fencing Sport class
- **4 sessions per week** → Fencing Sport + Fency Arena

This new format gives our fencers more freedom to choose their preferred **experience and training frequency**.

A NEW HOME FOR FENCING

To provide an even better and more consistent experience, we have decided to **concentrate all our fencing activities at our West Bay Center (SEK School)**.

Our fencing activities at **Doha College have therefore been discontinued**.

The new format has allowed us to reorganize the timetable and create new training opportunities at West Bay, particularly with the introduction of **Fency Arena**.

While we always try to keep age groups and schedules consistent, the introduction of this new discipline has required **some changes to the timetable and class groups this year**.

We have done our best to ensure that every fencer remains in an appropriate group and enjoys the best possible experience.

YOUR FEEDBACK MATTERS

This is an **exciting new chapter for Clement Sports!**

We understand that changes to schedules and groups may require some adjustment, and we sincerely appreciate your understanding.

We hope to see **many of you back on the piste this season** — and we can't wait for you to discover **Fency Arena!** 🗡️🔥
